PROFESSIONAL SUMMARY

Experienced in Field Service Representative workloads with TS/SCI clearance, specializing in all-source intelligence, data visualization, and Palantir systems (Gotham, Foundry, Gaia). Proficient in Python and R, with expertise in AIDP, system administration, and intelligence operations. Awarded multiple Army Achievement Medals for excellence in intelligence and volunteer service.

- Active Top Secret Clearance

- Data Management & Analysis Tool Design
- Proficiency in Python and R

- Proficiency with Palantir Systems
- Intelligence Analysis
- Microsoft Office Proficiency
- Proficiency in Arch and Debian based Systems

- Training & Instruction

- ITS Experience
- Project Management
- Proficiency in Windows based Systems

PROFESSIONAL EXPERIENCE

U.S. Active Army - Fort Shafter, Hawaii   2022 - Present
Intelligence Operations Integrator / Intelligence Analyst
Intelligence Operations Integrator -
- Designed and delivered multiple custom-built analytical tools to provide Indo-Pacific Commanders with real-time situational awareness, improving decision-making in critical operations.
- Managed, analyzed, and optimized large-scale data flows within the USARPAC Theater ACE, ensuring accuracy, efficiency, and mission-readiness in intelligence operations.
- Utilized Palantir Gotham, Foundry, and Gaia within the Army Intelligence Data Platform (AIDP) to analyze, manage, and visualize intelligence data, enhancing operational awareness and decision-making.
- Assisting in Help Desk duties to both troubleshoot and provide feedback to Palantir.

Military Intelligence Analyst -
- Screen, research, analyze, and interpret all-source intelligence information, including Counterintelligence / Human Intelligence (CI/HUMINT), regional analysis, and political analysis, for classified areas of responsibility in order to produce detailed written analytical products.
- Identify information gaps and potential threats by evaluating relevance and accuracy of gathered information using various analytical methodologies and intelligence database systems.
- Disseminate warning and threat analysis and brief executive and senior management on actionable intelligence contingencies on a daily basis.

Subway - Grand Junction, Colorado   2020 – 2022
Assistant Manager
- Supervised daily operations, ensuring efficient food preparation, customer service, and compliance with health and safety standards.
- Managed and trained team members to improve productivity, teamwork, and customer satisfaction.
- Handled inventory management, ordering supplies, and minimizing waste to optimize cost control.
- Oversaw cash handling, daily sales reconciliation, and deposits, ensuring accuracy and accountability.
- Resolved customer concerns quickly and professionally to enhance the overall dining experience.
- Assisted in scheduling, shift planning, and performance evaluations to maintain a well-functioning team.

- Maintained constant communication with both staff and customers.

EDUCATION

Bachelor of Engineering, Electrical and Computer Engineering, National University, Online - In-progress (71/180 Credits)

ACHIEVEMENTS

- Army Achievement Medal - Awarded for managing the Common Intelligence Picture within Maven Smart Systems (A Palantir system) during military exercise WFX 25-02.
- Army Achievement Medal - Awarded for volunteering efforts during a MWR volunteer event.
- Army Good Conduct Medal - Awarded for serving three consecutive years of honorable and faithful service.

COMMUNITY INVOLVEMENT AND ASSOCIATIONS

- Volunteer Mentor - Big Brother, Big Sister
- MWR Volunteer Security - MWR

PROFESSIONAL DEVELOPMENT

All-Source Intelligence Analyst Course (Total 16 weeks in residence)
Numerous Safety Officer/First Aid Courses
